## 120 NEW CONTRIBUTORS FROM 35 COUNTRIES ADDED IN 2008

Thomson Reuters is continually expanding the available research contributors to provide the broadest and deepest coverage available in the market. In 2008, Thomson Reuters has added 120 new research sources from 35 countries, including 23 new research providers from BRIC economies. One hundred of the new sources (83%) are included in the Investtext database, with 20 available only on a pay-per-view basis in the Research Select or Market Research collections. The number of new contributors added in 2008 breaks the previous record of 105 new research contributors in a single year, set in 2007. Please find below a list of new sources by country.

Thomson Reuters provides access to in-depth research reports from a total of over 1,400 investment banks and independent research firms and more than 9 million reports online. In addition, Thomson Reuters offers research from nearly 40 exclusive research contributors including Credit Suisse, Bernstein Research, BNP Paribas Securities (Asia), Grupo Santander, HSBC Global Research, Macquarie, Société Générale, and Wachovia.
